

Arcata's Annual Business Leadership Awards Event

Decorate a Table

How it works:

You decorate a table that represents your business. You do not sit at your table; other business people sit at your table. Therefore this is a creative and interactive form of advertising!

Sign up at [Brown Paper Tickets](https://www.brownpapertickets.com) or through us at the Chamber. arcata@arcatachamber.com

Opportunity for new members and nonprofits: The first ten new members and five nonprofits that sign up will have their fee waived. All others can advertise in this way for \$55.

If you are interested in decorating a table, but want help coming up with or executing an idea, we will connect you with Carole Crossley and she can help you brainstorm!

Do not hesitate to contact us with questions or to get started. We can send you an invoice if needed. There will be an Award given for the Best Decorated Table judged by the dinner goers, so have fun and be creative!
