

ARCATA CHAMBER OF COMMERCE

Serving on a Chamber Committee:

Chamber committee involvement offers members an excellent opportunity to take an active role in planning and implementing programs and strategies to achieve the Chamber's goals. While participating on committees, you will be networking with other members, increasing the visibility of your company name, ensuring your business needs are communicated, and enhancing the effectiveness of your Chamber membership.

Please review the following categories of programs and find one where you can make a difference! Each committee evaluates its own areas of responsibility and generates a work plan.
